

Y & S Design London Office Location

It has been announced that Y & S Design will partner with top UK companies to ensure quality results down to the smallest detail. One such partnership has already been formed with prestigious decorative lighting manufacturer, [Bella Figura](#).

Founded in 1982, Bella Figura specialise in the manufacture of beautiful lighting using Venetian glass. Each piece is professionally handcrafted by Italian and English artisans, ensuring unique results of the highest quality.

This range of lighting, from retro through to cutting-edge modern pieces, complements the aim of Y & S Design – to provide truly bespoke solutions for [residential](#) and [commercial interior design](#).

With a strong ethical vision and close attention to detail, The Chief Designer [Oxana Yuryeva](#) and the team aim to produce results that constantly exceed customer expectations. Recently launched in the UK, the company offers the very best in interior design to clients in London and throughout the UK.
